Food A Culinary History from Antiquity to the Present  
November 22nd, 2019 - When did we first serve meals at regular hours? Why did we begin using individual plates and utensils to eat? When did cuisine become a concept and how did we come to judge food by its method of preparation, manner of consumption, and gastronomic merit? Food A Culinary History explores culinary evolution and eating habits from prehistoric.

Weirdest and Most Poisonous Food Colorings from Antiquity  
December 27th, 2019 - It's worth asking — because history is full of really icky substances being used for food colorings. You probably know already about the beetle that is still crushed to make red food dye. But you might not know about some of the food colorings the ancient world used that were even grosser and sometimes actually poisonous.
