What is the meaning of the phrase going off script Answers
December 25th, 2019 - The literal meaning is that the actor is ignoring the directions in the script and is making things up. The figurative meaning is anyone who is doing things that are not the traditional way or are not as directed. Another way to say this would be making it up as you go along or flying by the seat of your pants.

Going off Script The Office of the Future Is All About
February 4th, 2016 - Going off Script The Office of the Future Is All About the Experience. In a nutshell, the future workplace is going to be a lot more nuanced than a giant open floor plan. We know from research that a balanced workplace giving employees a choice in when and how to work is the key to productivity.
