November 4th, 2019 - However Peru’s rapid transformation to a new neoliberal political economy in the past decade has changed the context of peasant resistance and suggests a need for new research to understand how peasant protests are taking place under Peru’s these political and economic structures

Unethnic Ethnohistory On Peruvian Peasant Historiography
This article is an exercise in relocating academic ethnohistory vis-à-vis vernacular ethnohistorical thinking in two respects. First, it questions whether the metahistorical native versus white opposition which forms an all but unquestioned premise of most ethnohistorical paradigms at all matches local paradigms.
