Class divide revealed in young people’s participation in
September 25th, 2019 - England is suffering from a class based divide in young people’s access to political activities such as student councils and mock elections at school – and this deficit is feeding into disengagement from democracy among disadvantaged citizens. Students from disadvantaged homes are much less

Merge Left The New Press
December 26th, 2019 - “Racism is a weapon against the working class and cross racial solidarity is the linchpin to creating an energized and empowered movement for restaurant workers and beyond Merge Left explores a powerful strategy and path forward where working people and families can win—not just in the next election but into the future ”

In 20 years British politics went from being about class
June 14th, 2017 - Historically social class was the stark dividing line in British politics. The right wing Conservatives were the party of the middle class and the upper crust while left wing Labour was the party of the working stiffs. In 2017 things seem to have changed. Consider the chart above which

What is Class Politics Class and Identity are Medium
April 7th, 2017 - What follows is an attempt to define class politics for people looking for a way for it to make sense. I want to assert that class is a category of political concern — not competition to identity politics in the binary we’re falsely sold in modern left wing discourse.

The left’s obsession with identity politics causes a new
May 27th, 2016 - The rise of identity politics means that the personal is commonly understood to be political. Being a radical today relates as much to who you are as to what you think. Class struggle at one time the raison d’être of the socialist movement has been usurped on the left by the personal grievances.
Middle class Wikipedia
November 10th, 2019 - Most of the emerging middle class consists of people who are middle class by the standards of the developing world but not the developed one since their money incomes do not match developed country levels but the percentage of it which is discretionary does

The New Politics of Class The Political Exclusion of the
November 25th, 2019 - The authors take the kind of work people do as the key sign of where they are in the class structure They divide people into one working class group defined as workers in manual occupations and six middle class groups the old middle class a new middle class a junior middle class the self employed personal service workers and supervisors

Middle class voters more leftwing than the working class
October 26th, 2012 - More middle class voters regard themselves as leftwing than do working class voters and working class people show less support for overseas aid and immigration than middle class voters according to a new YouGov poll commissioned by Progress the Labour pressure group

Why did ‘working class culture’ disintegrate in the 1980s
April 18th, 2016 - Mason’s short piece is a response to the news that statistics show white working class students to be the worst performing demographic in British schools He offers an explanation which in part at no point does he claim it be an exhaustive explanation accounts for this situation in terms of the destruction of working class culture in the 1980s

What happened to Europe’s left From proletariat to
February 24th, 2018 - Ironically the former left voting working class for whom this demographic change has been most socially culturally and locally disruptive have themselves been ‘othered’ by the modern progressive and middle class left The precariiate have not so much been ‘captured’ by the populist right so much as dumped by the progressive left
Has the rise of middle class politicians led to the decline of working class MPs in the Labour ranks has had a substantial impact on the relative popularity of the party among working class voters even controlling for a host of other factors commonly associated with class voting. Working class people are significantly more likely than middle class people to vote for Labour.

Politics and the Class Divide Working People and the Middle Class

UK Class Divide Alive and Well

The Real Class War

Does class still drive British politics?
A New Class Politics CounterPunch.org
July 20th, 2017 - Class is back on the agenda of the European left. That is good news. The reasons however are unfortunate. It is primarily the growing working class support for right-wing parties and movements that troubles left-wing authors, activists, and organizers.

Two poles have emerged in the debate. The

August 19th, 2019 - White Working Class Overcoming Class Cluelessness in America Kindle edition by Joan C Williams. Download it once and read it on your Kindle device PC, phones, or tablets. Use features like bookmarks, note taking, and highlighting while reading.

White Working Class Overcoming Class Cluelessness in America

What So Many People Don’t Get About the U.S. Working Class
November 9th, 2016 - What they want is what my father-in-law had: steady, stable, full-time jobs that deliver a solid middle-class life to the 75% of Americans who don’t have a college degree. Trump promises that I doubt he’ll deliver, but at least he understands what they need.

Understand Working Class Resentment of the Poor

Why aren’t working class people living in cities also?
December 24th, 2019 - In fact, the reality is that working-class communities, especially in cities, have been just as “left behind” as those elsewhere in the UK. Even 72 people dying in the Grenfell Tower tragedy, a preventable fire which happened within sight of Parliament and hasn’t dislodged the dominant narrative of London as a leafy cosmopolitan elite bubble.

Centrist and Left Wing Politics Christian Discussion
November 14th, 2019 - Do a Google search on shrinking middle class, and you’ll see reputable business sources explaining it and the
LA Times OP ED calling it a myth So that’s where Aagcobb is at Taxation always falls on the middle class because the rich have shelters and there aren’t enough of them anyway and the lower classes poor are exempt

December 26th, 2019 - A social class is a set of concepts in the social sciences and political theory centered on models of social
stratification in which people are grouped into a set of hierarchical social categories the most common being the upper middle and lower classes

Robert Reich America’s Real Divide Isn’t Left Vs Right
July 11th, 2019 - The only way to overcome the oligarchy and Trump’s divide and conquer strategy is for the rest of us to join together and win America back. That means creating a multi-racial multi-ethnic coalition of working class poor and middle class Americans who will fight for democracy and oppose oligarchy.

America’s Real Divide Isn’t Left vs Right It’s Democracy
July 16th, 2019 - The only way to overcome the oligarchy and Trump’s divide and conquer strategy is for the rest of us to join together and win America back. That means creating a multi-racial multi-ethnic coalition of working class poor and middle class Americans who will fight for democracy and oppose oligarchy.

Brexit: A story of inequality and class divide
December 20th, 2019 - Working class regions feel left behind by the advances of globalisation as they see it working in favour of distant affluent classes in London’s gated communities. They were the first to get hit by austerity and remain beaten down. Britain’s Labour heartlands voted overwhelmingly to exit the EU.

Where have all the working class leaders gone David
December 20th, 2019 - Working class people are again being shut out from parliament’s long corridors. All three party leaders are from relatively privileged backgrounds. The Labour party has become increasingly middle class in makeup and instinct. The Conservative party is again viewed as the party of the rich and there are few examples of genuine working class figures in the upper echelons of politics.

California’s Progressive Policies Hurt Working Class And
June 11th, 2019 - The recent California Democratic Party convention in San Francisco exposed the divide between the state’s progressive and working class voters. Progressives, in their militant certitude, support left-wing policies that often don’t affect them. It’s the working class that suffers the consequences of these proposals.
