**Statement by H E Ambassador MA Zhaoxu at the Security**
November 28th, 2019 - As the Presidency of the Security Council for this month China proposed the convening of today’s open debate with the view to addressing the emerging issues and challenges confronting international peace and security under the current circumstances as well as exploring ways to strengthen multilateralism and the role of the United Nations
Those of us seeking to be active supporters of the UN over many years and decades understand very well that the system itself is under challenge. Multilateralism as a concept of governance is under deep challenge," IPI Chair Kevin Rudd told a United Nations event organized by IPI and the Office of the President of the General Assembly PGA.

For the United States, multilateralism faces its greatest challenge at the United Nations where U.S. diplomats seek cooperative action among member nations on serious international problems. Therein lies the tension. The United Nations is first and foremost a political body made up of 192 states that rarely agree on any one issue.

Multilateralism key to peace security

It calls upon all member states to reaffirm their commitment to the principles and provisions of the Charter of the United Nations to strengthen international law and maintain international cooperation.
The Importance of Multilateralism and the United Nations
January 22nd, 2019 - First I would like to argue the necessity of a strong multilateral approach to peace and security backed by the United Nations And second I would emphasize that the UN General Assembly – the world’s most deliberative forum – can and must play a key role in this respect First allow me to be clear peace and security cannot be imposed
