Coda Viray opinions Speakerplans com Forums
December 3rd, 2019 - What do you make of the Coda ViRay? I had a listen a little while ago and imho it’s the best I’ve heard a small linearray not that I’ve heard all of them. It was only in a show room but the mid and treble really impressed me. The rigging looks handy also I’m interested in others opinions because Coda is a name I don’t hear often.
